Certainly! Here's a brief summary of the prime support services offered for CCTV Annual Maintenance Contracts (AMC):

1) Comprehensive / Non-Comprehensive Maintenance Services :

Offered an all-inclusive Annual Maintenance Contract (AMC) for CCTV systems, ensuring regular inspections, preventive maintenance, and prompt resolution of any issues or faults.

2) Regular Health Checks :

Conducted routine health checks and performance evaluations of CCTV systems to identify potential issues beforehand, thereby preventing major disruptions and maintaining system efficiency.

3) Firmware and Software Updates :

Ensured that CCTV systems were up-to-date with the latest firmware and software upgrades, enhancing system security and functionality.

4) Priority Response and Repairs :

Prioritized AMC clients for immediate response and speedy resolution of issues, reducing downtime and ensuring uninterrupted surveillance coverage.

5) Expert Technician Availability :

Deployed skilled and certified technicians equipped with the necessary tools and expertise to handle any maintenance or repair needs efficiently.

6) Stand-By Product Installation :

In the CCTV System, any part damaged or not working, then we installed stand by product to avoid monitoring CCTV.

7) On-Site Visit :

Any Complaint or System related issues then Unlimited on-site visit services provided.

Secure your CCTV System with GIZMO VISION AMC Prime Support & worry-free!
